

Baker 5K Sponsorship 2022

About the Baker 5K

Baker students, families, faculty, staff and friends come together each spring to celebrate physical fitness and community spirit at the Baker 5K, a cooperative run completed by all students in grades 1-8 at Gillson Park in Wilmette. We will be hosting Baker's 5K Run on Friday, June 3. Students will be training as part of their PE classes and families often train together at home too. Our sponsors are such an important part of the annual 5K and we invite you to participate this year to become part of this special event. *Note: Our PK & K students also participate in a 1K run!*
